

Greetings from the Board and Volunteers at Nameless Creek Youth Camp!

When we wrote our Patron Membership request at this time a year ago, our ambitions for the Nameless Creek Camp were progressing slowly as we navigated weather issues, contractor schedules and funding challenges. **Much has changed in the last year!**

As you may see in the attached newsletter, *The Leaflet*, the Lodge at Nameless Creek is now operational, and **we are very excited to see the community using the Lodge for numerous events which are already scheduled for 2019** and more bookings coming each week. The completion of the Lodge and the other projects to modernize and improve the Nameless Creek Camp have been made possible by the generous donations and volunteerism of the citizens of our beautiful Hancock County.

Although the Lodge is now operational, we still need your help as we address the need for some finishing touches to the Lodge and improvements and updating in other areas of the Camp.

Some sponsorship opportunities include:

- Bathroom and septic hook-up for the Recreation Hall estimated cost \$12,000
- Additional acoustical panels for Lodge estimated cost \$1,500
- Remodel and refurnish the Recreation Hall estimated cost \$2,500
- Install gravel to maintain the driveways and parking estimated cost \$2,500
- Integrated sound system for Lodge estimated cost \$2,000
- Replacement window and in-wall heater/air conditioner for Camp kitchen estimated cost \$1,200
- Replace picnic tables in the Pavilion estimated cost \$2,500
- Pave parking lot for the Lodge estimated cost \$20,000
- Replace fence at front of Camp with 3-rail vinyl fence estimated cost \$12,000
